Discover effective ways to share the gospel and positively influence your community through Christian citizenship and cultural engagement.

SPEAKING TOPICS

Talks are customizable to be age appropriate for all audiences. Additional topics available upon request.

“Engaging the Skeptics: Apologetics for Today’s Faith Landscape”

- Using apologetics to bridge the gap with today’s faith-questioning, faith-curious, and faith-hating audiences.
- Communicating the Gospel effectively in a secular society.
- Addressing common objections to Christianity with confidence and grace.

“Navigating Chaos: A Christian Worldview for a Confusing World”

- Adopting a Christian worldview to find meaning and clarity amid societal confusion.
- Understanding Scripture as a lens for interpreting and engaging with the world.
- Practical steps to integrate Christian principles into everyday life and decision-making.

“Impact in a Broken World: Christian Citizenship and Cultural Engagement”

- The relationship between Christianity and the Constitution.
- The role of Christians as citizens and shaping culture and society for the better.
- Understanding the current cultural climate and how Christians can respond effectively.

TESTIMONIALS:

What others are saying about Alex:

“I’ve grown to trust Alex as a smart, passionate, persuasive defender of Christianity.”

Lee Strobel

“Alex was a big hit! When he spoke at Faith Family Church in Frankfort, Indiana, he challenged us to live out our Christian Worldview in this culture, and to be the agents of change that our country so desperately needs. During the question & answer times, Alex addressed all of the questions with truth and grace. I would encourage anyone who is considering Alex McFarland as a speaker to DO IT! You and your community will be blessed!”

Ron Masters
Associate Pastor, Faith Family Church
Frankfort, Indiana
